Forward-looking intelligence.

Optimization

Better results from existing processes.

Legislative Insights

FN Outlook

Compared to other bills in Illinois, this bill is **more likely** to pass.

We calculated this based on the strength of the bill sponsor, the language in the bill, and the network of the cosponsors.

- ↑ The language in this bill has a slightly positive effect
- ↑ A number of assorted factors make this bill little more likely to pass
- ↑ A referred committee has given a favorable recommendation
- ↓ The primary sponsor has a slightly negative effect
- ↓ There are no cosponsors to support the bill
